Continuation Sheet (PTOL-303) 09/608,567

Continuation of 5. does NOT place the application in condition for allowance because: As indicated in the final rejection mailed 8/13/04 Grochowski also discloses: the altered morphed) instruction (see col. 7, lines 25-26, such as when a predicate misprediction causes an error in the execution, the original instruction will be altered inserting the correct predicate therein) to cause the execution unit to perform a different functiontthan the original instruction (since the original instruction has been altered (or morphed), it will cause the execution unit to execute different micro-instructions and therefore, perform different function).
